

DA-BSC is temporarily unable to accept any new bookings for our elearning courses from non-MOD delegates on a fee-paying basis, with the exception of the courses listed below. We plan to accept new bookings when we have moved to a new hosting platform by early 2019 at the latest.

Information will be available later this year on our main website at <https://www.da.mod.uk>

There are some non-MOD delegates who for a number of reasons do not need to pay for access to certain courses and for whom this restriction will not apply. If you consider that you fit into this category please send your enquiry to aleck.everard@da.mod.uk

Access via the DLE. We are able to continue offering access on a fee-paying basis to the courses below. These will be hosted on the MOD's Defence Learning Environment (DLE) to which special access will be given. If you wish to enrol on one of these courses or find out more information, please contact aleck.everard@da.mod.uk

- Integrated Logistic Support Introduction On-Line (ILSIOL)
- ILS Practitioner Core Modules (ILSPCM)
- ILS Level 1 (ILS1L)
